

People at Jesus' Death and Resurrection

Jesus' trial, crucifixion and death were important events to the people of Jerusalem. In fact, the Bible says there was darkness during the time Jesus was hanging on the cross, and when He died there was an earthquake, so most people in Jerusalem probably knew something important was happening. The Bible tells us about many people who were part of these important events.

Several of these people are listed below. Match each name to the correct Scripture by writing the number of the name on the line in front of the Bible reference which tells about the person. Then find and circle each name in the cross puzzle.
