

Materials needed:

- patterns for balloon and basket (provided on next page)
- yarn or string
- 4" x 4" piece of paper (any color)
- 4" x 4-1/2" piece of paper (a second color)
- background paper

Directions:

1. Cut out balloon and basket and decorate them with markers.
2. Cut first color into five strips.
3. Cut second color paper into six strips.
4. Place first color strip across bottom of basket and glue only one end down.
5. Next, place second color strip perpendicular to first strip and paste down only bottom end. Continue alternating strips and weaving the horizontal strips over and under until the basket is covered.
6. Glue basket and balloon on background paper and glue yarn from basket to balloon.
