

# Old Sin Nature

What do you think you can learn from something old and something new?

You will learn about yourself.

Inside of us is an old sinful nature. The old sin nature is what will tempt you to sin, and make bad choices.

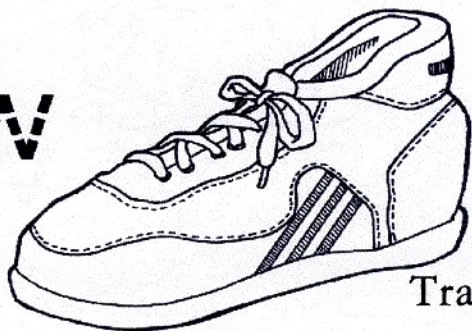

Well, guess what? When you believe in Jesus, you do not have to listen to your old sin nature. God has given you a new nature.

old

This does not mean that you will never sin again, but before you make that bad choice, stop and think!
