

Where do dogs come from?

- (a) Ostriches
- (b) Cats
- (c) Ducks
- (d) Other dogs

The correct answer is (d).

Well done! Dogs come from dogs!

And now, just in case you didn't know, cats come from cats.

Oh, and also birds come from birds, snails come from snails, cows come from cows, camels come from camels. . . in fact every animal on earth comes from its parents.

But where did the parents come from?

The first parents of every animal on earth came from God.
