

Many are being led astray by lies and deceptions

Even well-trained theologians and pastors are being sucked in to the evolution camp, and are speaking for Satan against God's Word by denying the first chapters of the Bible

And you Lord in the beginning have laid the foundation of the earth; and the heavens are the works of Your hands.

Hebrews 1:10

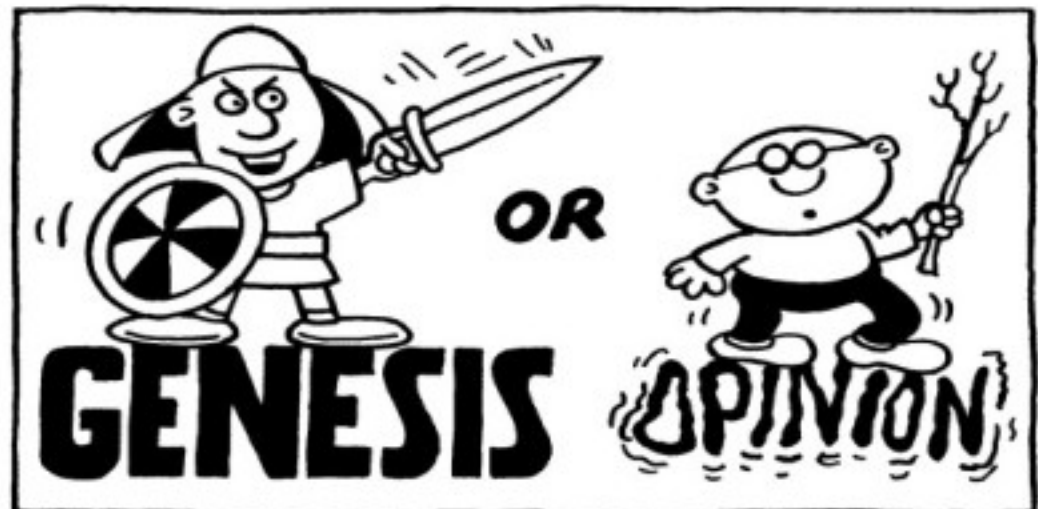

GENESIS

Genesis chapters 1-11 are very true in every way

They are about real people and events

WHY?

Is there a huge anti-Genesis and anti-Creation war going on in the world right now.

The gospel would lose most of its meaning if we did not have Genesis underneath it as a foundation, because what is the point of God restoring all things if there was never a time when everything was perfect and sinless?
