

# HAPPY OR SAD

# HE LOVES TO HEAR FROM YOU!

## GOD LOVES TO HEAR FROM YOU!

### Prayer is talking to God

Sometimes we like to pray a thankyou to Him for some of the wonderful things He does.

Sometimes we tell Him about some sad thing that has happened,

Sometimes we ask Him to help us, or to help someone else.

Sometimes we ask God for something, but He says "no". That is an answer to our prayer. "no" is an answer!  
**WHY DOES GOD SAY "NO" SOMETIMES?**

Because He is wiser than us.

He knows what we should have and what we shouldn't have. God is a very wise Father. A wise Father never gives bad or dangerous or foolish things to His children.

## BUT WHEN GOD SAYS "YES", NOTHING CAN STOP HIM FROM GIVING!

When we are sad, God really does understand what we are going through, because His Son Jesus has been through all the sad things too!
